SUBJECT: PHYSICS

PAPER: 2A(Unit-1 & Unit-2)

EXAMINATION CENTRE: VIDYASAGAR COLLEGE FOR WOMEN

General Instructions to the Examinees:

- Candidates should record the Table No. and the chosen questions along with marks distribution on the answer-script.
- A candidate will normally choose her experiment in the first chance. In case she declines the first choice, she will be allowed to try for a second one but only after all the other candidates in order have availed of their first chance. A candidate may, however, be allowed third chance but will lose 2 marks for the third chance. No candidate will be allowed more than three chances.
- Candidates are required to produce their Standard Laboratory Work Books (LWB) for assessment. Otherwise she will not be allowed to appear at the examination.
- Divisions of Marks:

	Unit - 1	Unit - 2
LWB	05	05
Viva-voce	05	05
Experiment	10	20
Total (50)	20	30

- Candidates may use electronic calculators for calculations only when they have taken all the relevant data for calculations.
- For drawing graphs (if any) , use full graph paper with indications of proper scales on the axes, displaying the units so chosen as to make one small division a suitable finite fraction.
- **Candidates are asked to show at least one reading while recording data and get signed it by the Examiners.**
