

## FEEDBACK ANALYSIS REPORT 2023

### 1. Institutional feedback of students

The students have given good response on teaching-learning segment. They shared positive response on –

(a) Easy comprehension (b) completion of syllabus (c) fairness in evaluation (d) library facilities (e) availability of drinking water (f) campus cleanliness.

However, a bit more attention should be given in areas like (a) sports facilities (b) vending facility (c) hostel facilities (d) extra-curricular activities.

### 2. Faculty feedback

The faculties of the college have given positive feedback in library as a major source of information, library is used optimally both by the students and faculty, library management, the timing of library. The teachers are encouraged to organize seminar/ workshop/ symposia. In contrast with the previous year the teaching aids, adequate learning resources for the teachers are now available more. Teachers are now inspired to link with other institutions.

However, encouragement should be given a bit more to undertake research, extension service programs, consultancy services.

A positive feedback has been received in the admission process and its effectiveness, class-work taking place as per schedule, the exam system followed.

A bit more effort is required in facilities usage of knowledge and skill.

In the segment called infrastructure, a satisfactory result has been achieved in water resources, and safe drinking water. Anyhow, some more attention should be paid in equipments of labs, toilets of both the staff and students, maintenance of building and furniture and sports infrastructure.

A positive feedback has been received regarding the initiatives taken by the administration to improve infrastructure, good performance of IQAC.

However, a small initiation regarding more access to administration, the liberty to express the opinions can add more jewels to the crown of the college.

### 3. Supporting staff feedback

The Supporting staff segment has showered praise in respect to women employees, the work load is fair but more effective work distribution is required. They feel the training programmes organized by college are not effective and there is a lack of infrastructure for good work environment. They requested for regular solutions of employee grievances and to include their opinions in process development.

#### **4. Feedback from management**

The management has praised regular GB meeting the circulation of notice, implementation of the agendas passed in GB.

However, the college can be more benefited if the regular financial audit is done by Govt. auditor. The results and admission data should be placed before GB for analysis. Requirement for regular GB meetings are felt.

#### **5. Alumni**

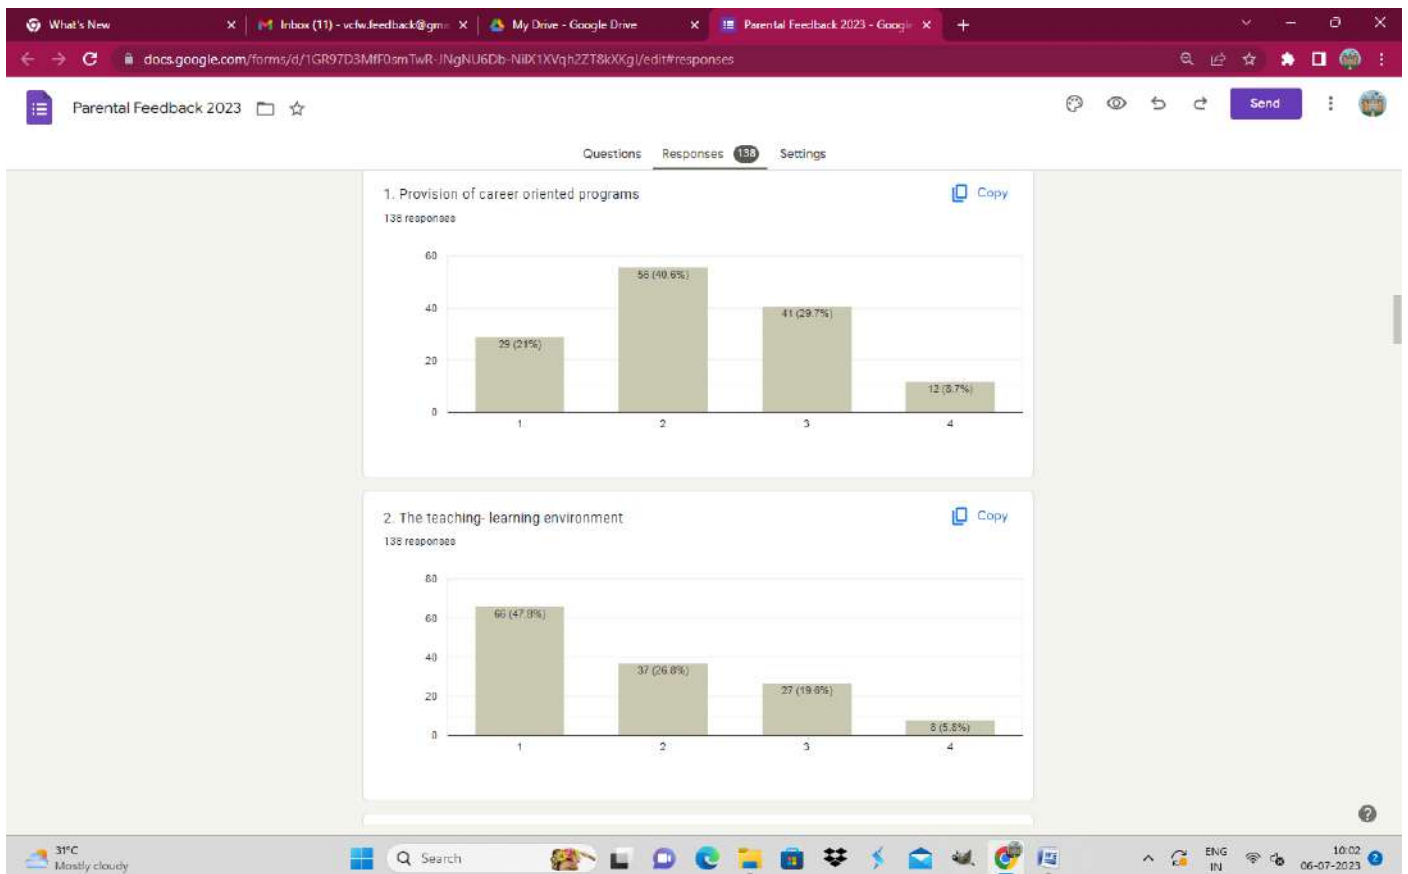

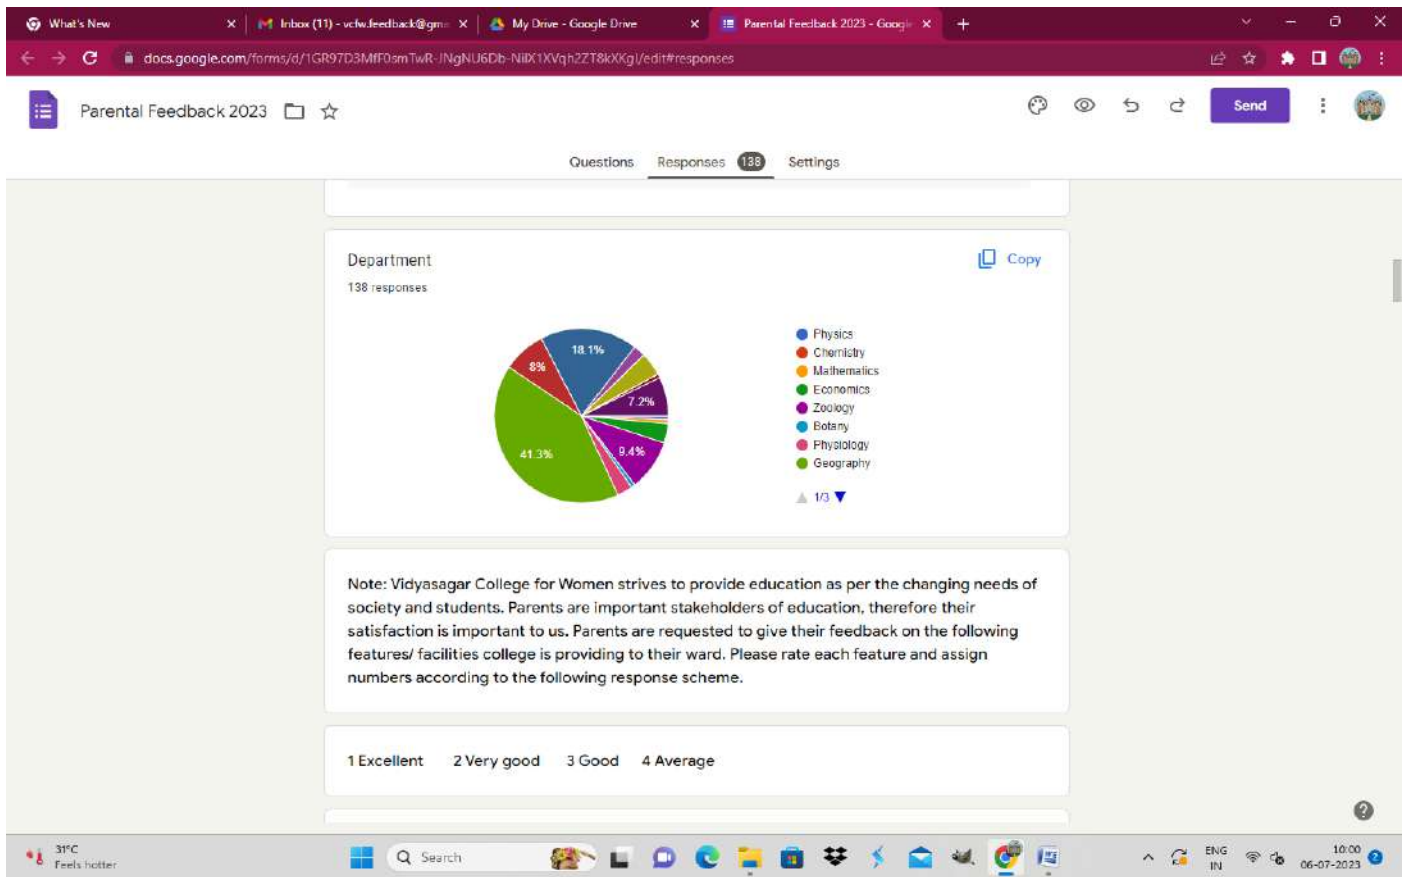

The alumni is happy with the various activities for student's development, the delicate way the college handles student's grievance and the process of integrating the alumni with the college through mails and messages.

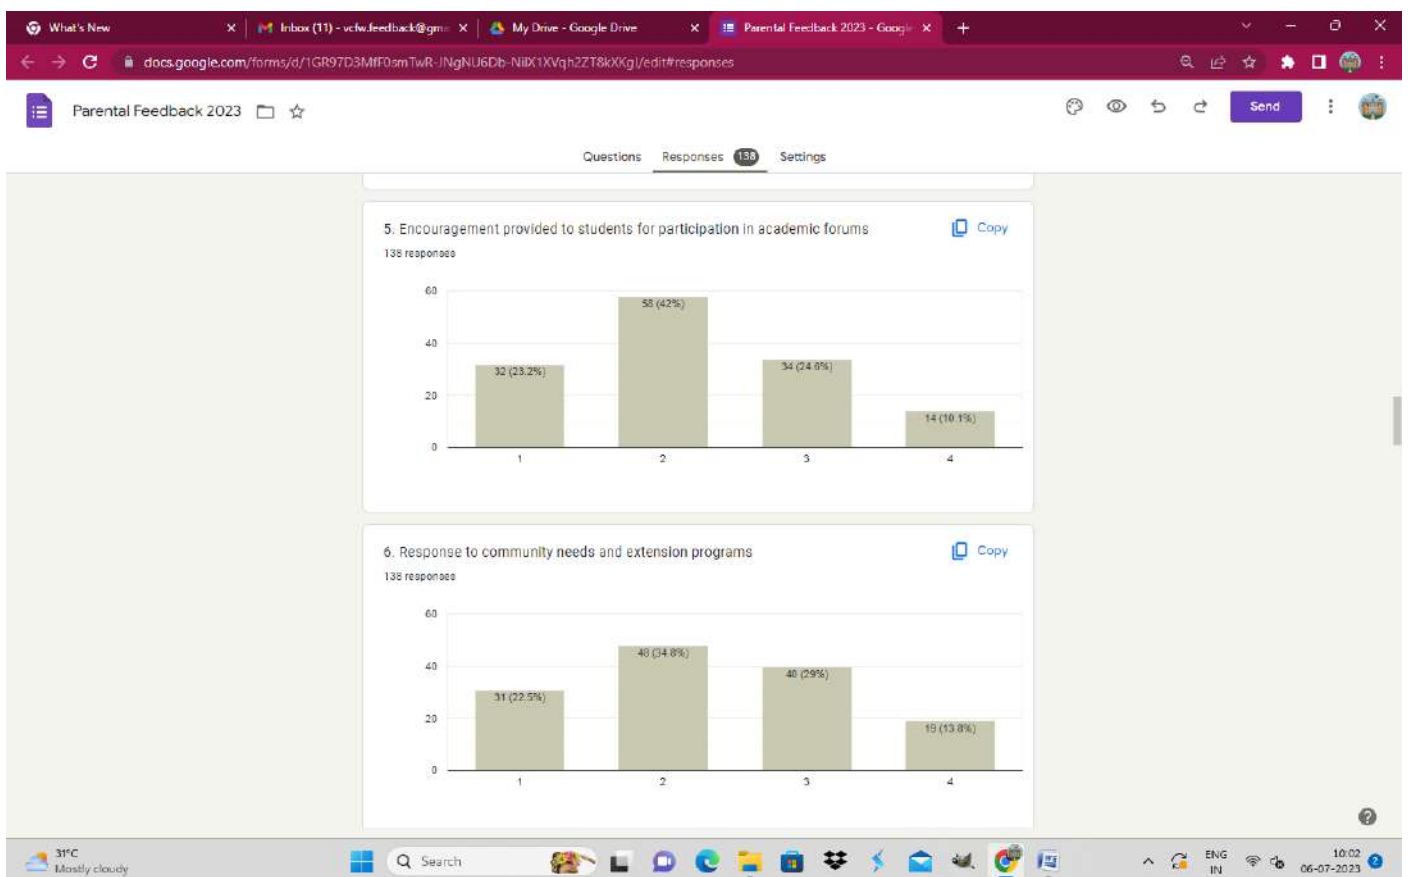

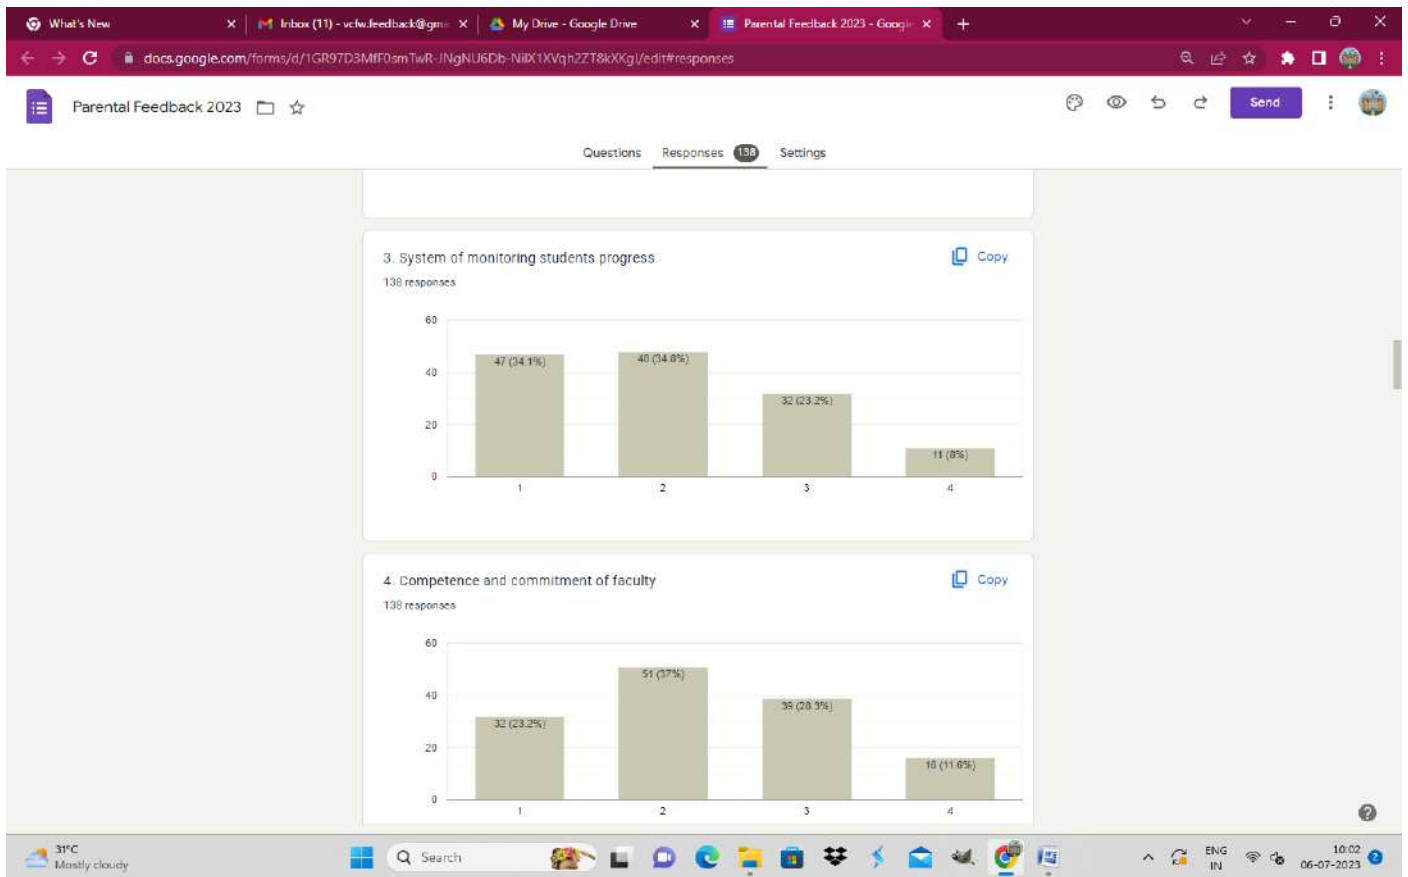

However, they want the institution to focus a bit more on campus and off campus placement opportunities.

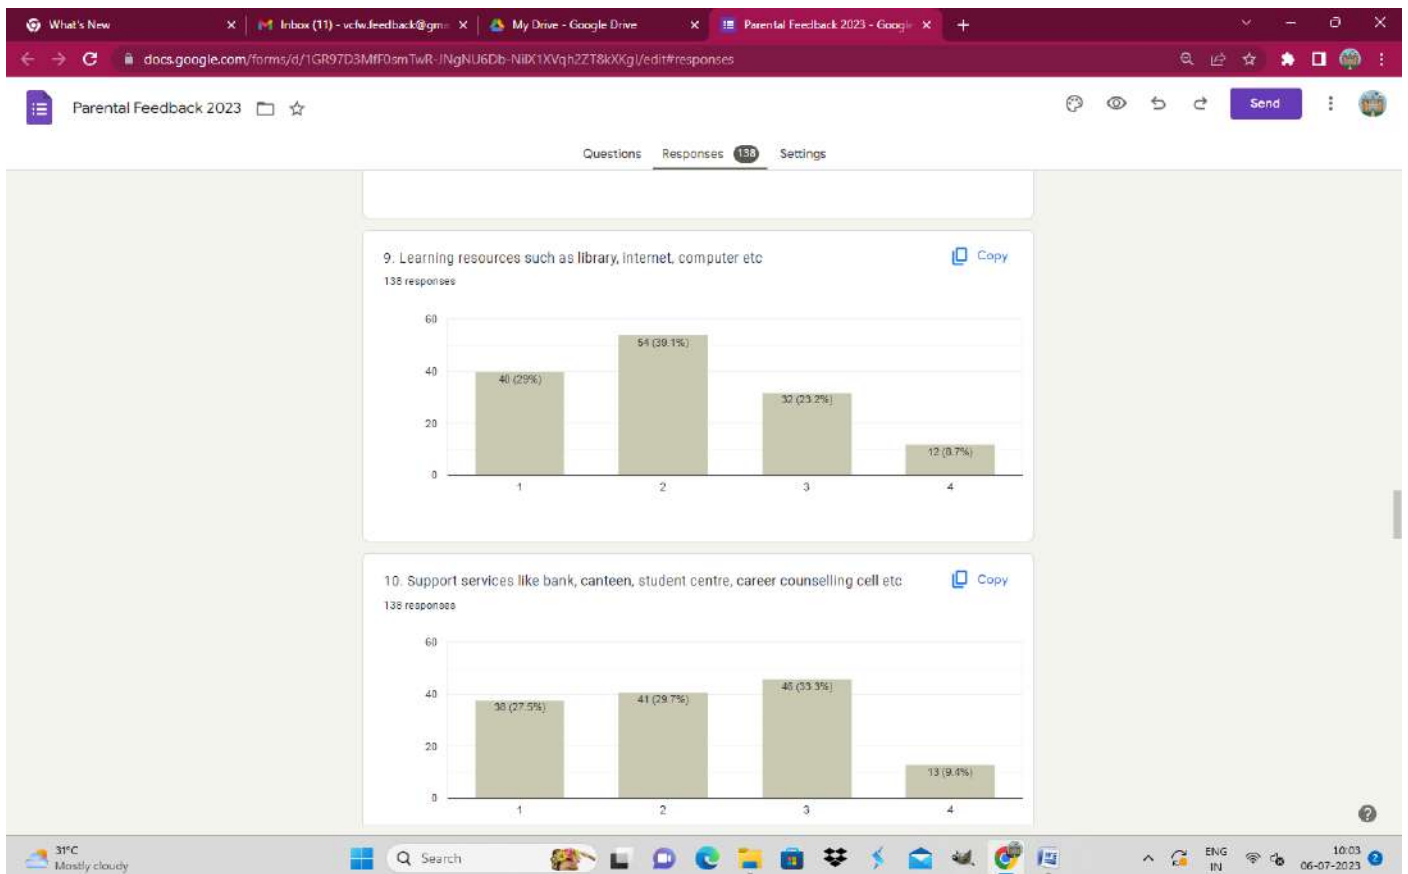

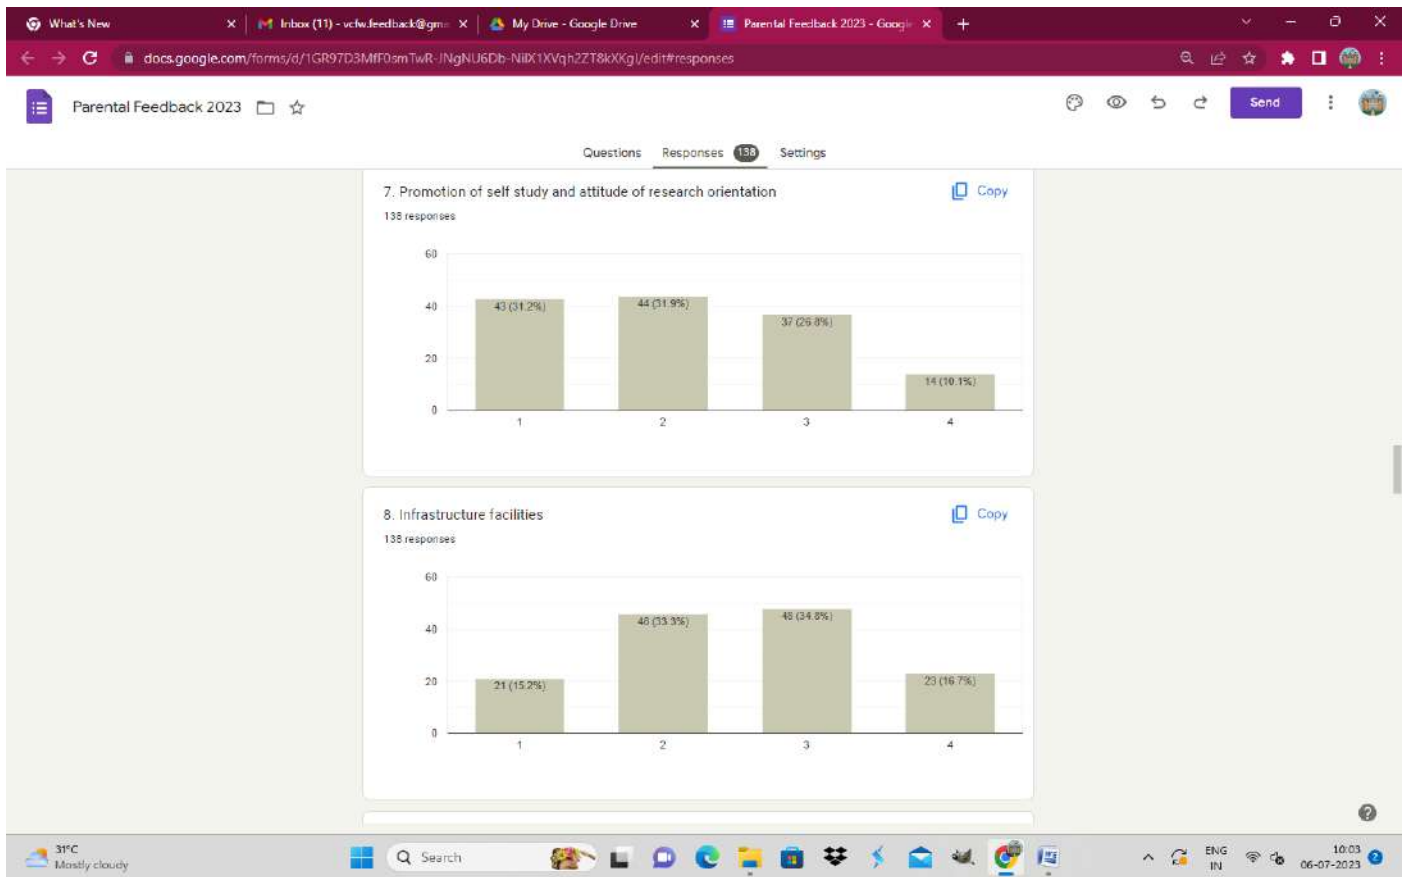

#### **6. Parental Satisfaction**

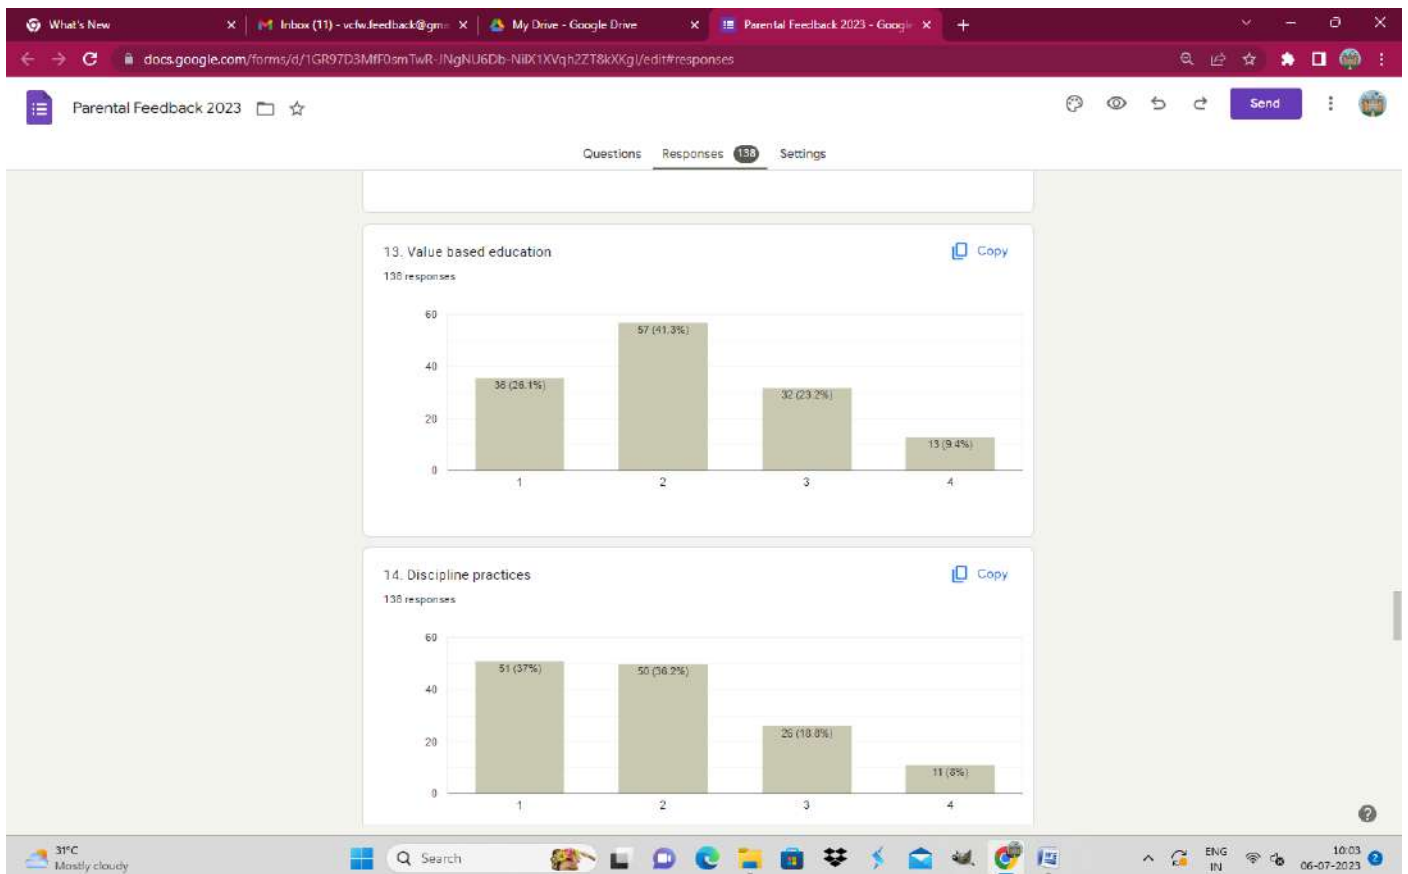

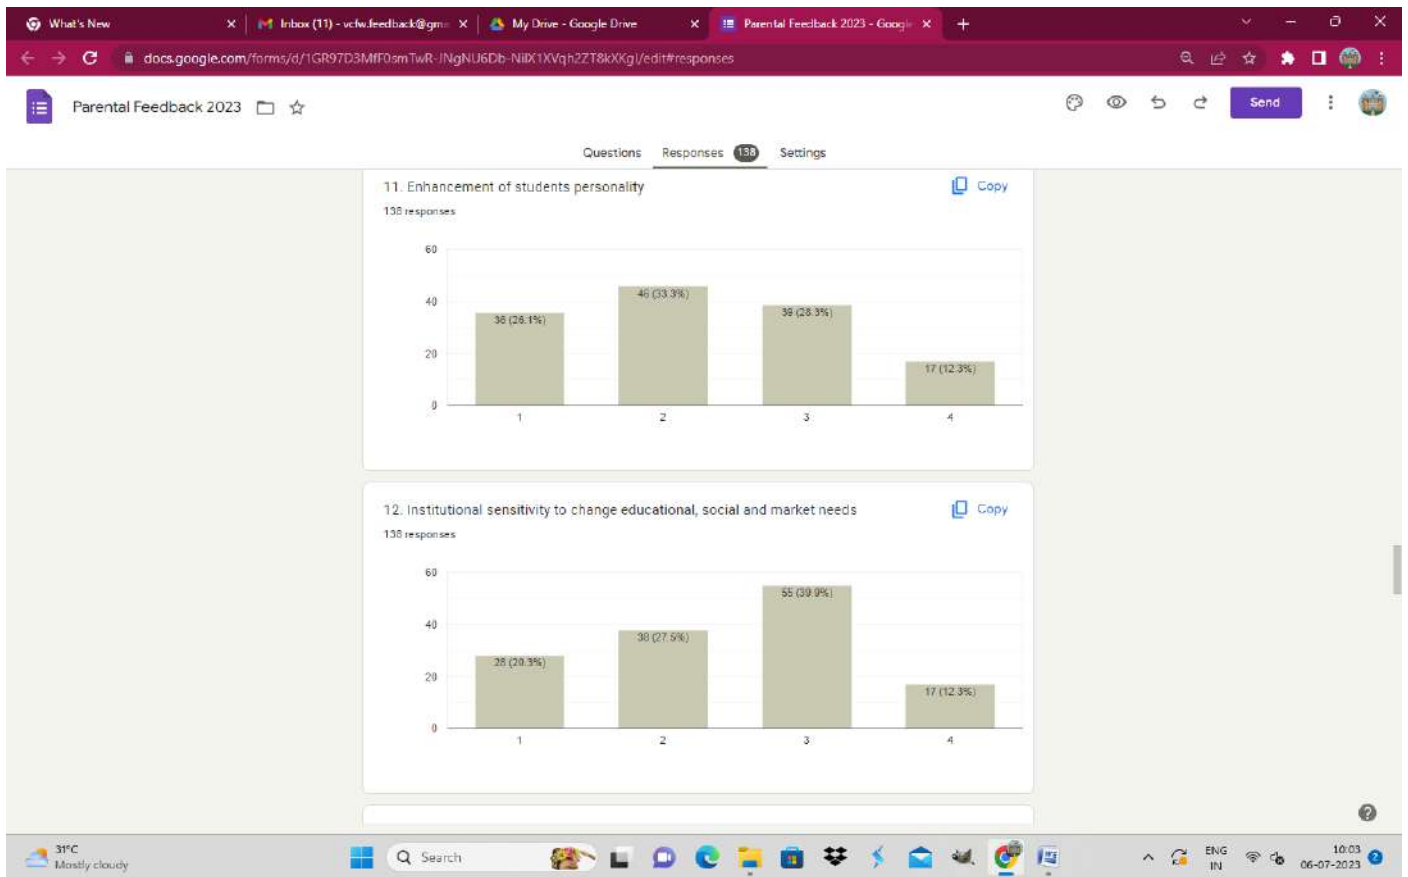

The parents are satisfied with the teaching-learning environment offered by the college, competence and commitment of the faculty, the learning resources like library, internet, computer, monitoring students' progress and enhancement in students' personality.

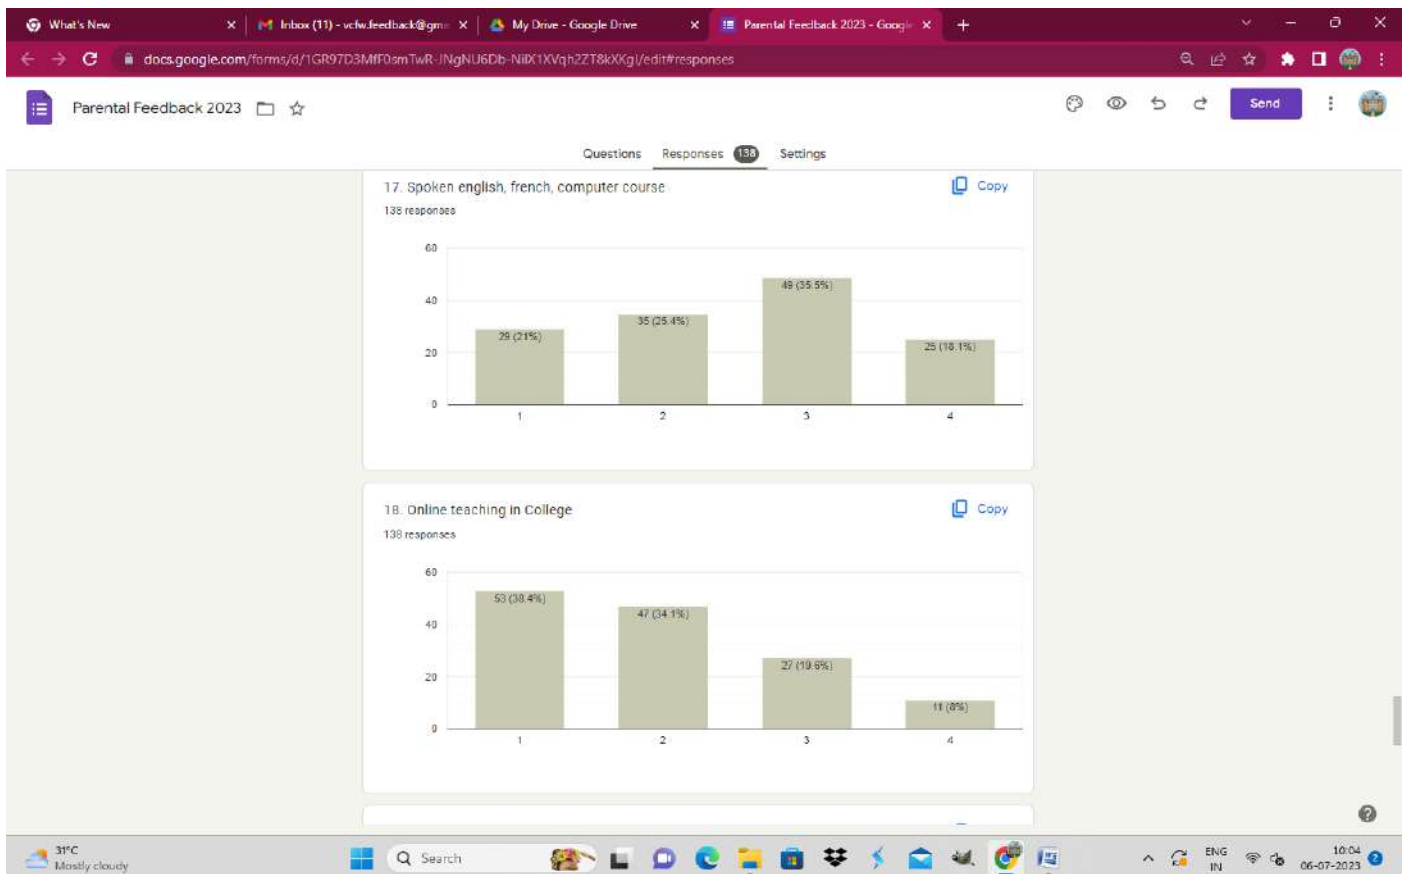

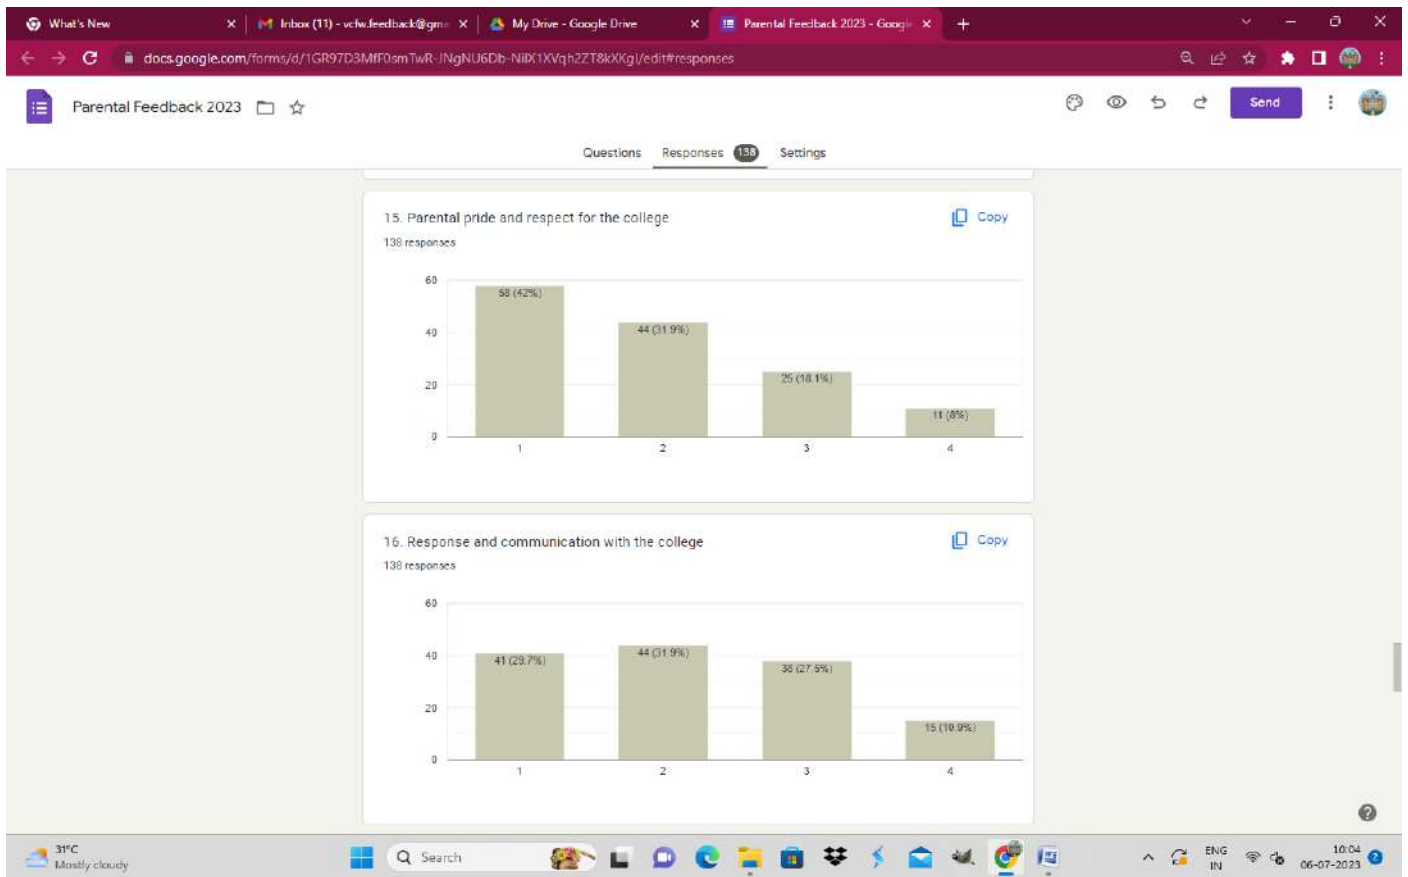

Even so, the guardians have asked for provision of career-oriented courses, other support services like bank, canteen, career counseling.
