

GREEN CLUB ACTIVITIES

JUNE, 2022 - MAY, 2023

1) To instil a sense of proactive responsiveness and responsibility towards our environment, N.S.S Unit and Green Club had motivated the students to prepare a few posters discouraging people to use plastic or plastic products, Their enthusiasm, zeal, indulgence and commitment to the cause was infectious and praiseworthy.

Posters were pasted on **06.06.2022** and **15.6.2022**. Venue: Different places of Old and New Building campuses

2) On the occasion of **World Environment Day (05.6.2022)** Green Club and NSS unit organised Inter College Photography Competition (4th – 6th June). **Theme: Biodiversity or Ecological Conservation.** Nearly 85 (Eighty five) participants from different colleges participated in the said competition. Best three photographs have been selected for award at the end of August, 2022.
