NOTICE

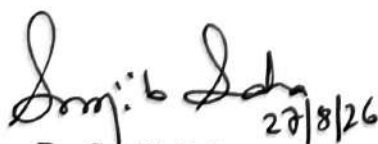

This is to notify that the Semester II students (ZOOM) of the Department of Zoology, Vidyasagar College for Women, will undertake a **visit to a nearby fish market** with the objective of identifying economically important fish species on 01.09.2026.

The market survey is intended to provide students with practical knowledge regarding the identification of economically important fishes and their significance in relation to the local economy. The activity forms an important component of the **Aquaculture Laboratory (SEC-2-P)** under the revised curriculum.

The visit is being organised in accordance with **Notification No. CSR/07/2026**, approving the new revised Course Structure and Syllabus for the **4-year Honours and Honours with Research and 3-year MDC programmes in Zoology under CCF, 2022**.

Students are directed to participate in the survey and make the best use of this practical learning opportunity. Following faculties will accompany the students.

1. Dr. Chaitali Banerjee
2. Smt. Sambita Mazumder Saha
3. Dr. Sudakshina Ghosh
