A seminar was arranged by the Career Counselling Cell of Vidyasagar College For Women on 16.12.2023 at the Bhagavati Devi Auditorium in association with IMS, Kolkata. The topic of the seminar was- A Workshop on Verbal Made Easy. The speaker was Mr Rahool Deb, Lead Mentor, IMS. 33 students attended the seminar and interacted with the speaker. Verbal Made Easy refers to techniques, methods, and strategies designed to improve an individual's verbal communication skills, particularly in contexts like competitive exams, professional environments, or daily interactions. This topic is especially relevant for those seeking to enhance their command over a language, expand their vocabulary, and improve their confidence in verbal expression. It helps in vocabulary building, enhancing listening skills, speaking fluency and comprehension skills.

A seminar was arranged by the Career Counselling Cell of Vidyasagar College for Women on 8.1.2024 at the Bhagavati Devi Auditorium in association with Triumphant institute of Management and Education, Kolkata. The topic of the seminar was- Resume Building. The speaker was Mr Inder Chopra. 55 students attended the seminar and interacted with the speaker. A resume is a college student's gateway to professional opportunities. It acts as a personal marketing

tool that communicates their skills, achievements, and potential to employers, universities, or organizations. Mr Chopra highlighted on the importance of resume building focussing on career opportunities, personal branding, building confidence. Resume building is not just about creating a document; it's about laying the foundation for a successful career. For college students, a strong resume opens doors to internships, jobs, and academic opportunities, helping them transition smoothly from academia to the professional world. By investing time and effort in creating and refining their resumes, students can effectively market themselves and seize opportunities that align with their aspirations.

A webinar was arranged by the Career Counselling Cell of Vidyasagar College for Women on 26.6.2024 at the Google meet platform (online) in association with Brainware University, Kolkata for the Semester 6 students of the college. The topic of the webinar was Career Kotha and the speaker was Dr. Vertika Rai, Associate Professor, School of Medical and Allied Health Sciences. 19 Students attended the webinar. Graduating from college marks a significant milestone and opens the door to numerous career opportunities. The path a graduate chooses depends on their field of study, interests, skills, and career aspirations. The opportunities discussed were huge ranging from joining the workforce to higher education, professional certificate, entrepreneurship, social and community work, networking and mentorship, hybrid career path. Career opportunities after graduation are vast and varied, ranging from entering the workforce to pursuing higher education, certifications, or entrepreneurial ventures. Choosing the right path requires careful planning, self-reflection, and a proactive approach to leveraging available opportunities. Graduates should focus on aligning their choices with their aspirations, skills, and market trends to pave the way for a fulfilling and successful career.
