Public speaking abilities are important in most careers and are key to improving your confidence and presence in the workplace. For some careers, this skill allows employees to complete everyday duties, so it's important to understand how to improve your skills in public speaking. The Career Counselling Cell organised a seminar on Public Speaking and Communications Skill on 12.9.2024 at 11 am at the Bhagavati Devi Sabhaghar in association with Course Brothers- A Cambridge Learning Partner. The speaker was Mrs Anuja Kumar, COO, Course Brother. She mostly highlighted on the ways of communication the most important being body language. Posture plays a very significant role in soft skill development. Verbal, visual, listening are the most important ways of communication. Practising public speaking boosts confidence and makes one understand how to throw sentences in groups. One needs to know the audience before connecting to the audience. The criteria for good communication is the connection with the audience. But taking

care of oneself is the first stepping stone of good communication. 74 students attended the seminar.

The Career Counselling Cell of our college is dedicated to empowering students with the skills and knowledge necessary to thrive in today's competitive job market. By organizing a diverse range of events, the cell provides invaluable opportunities for students to gain insights, network with industry professionals, and enhance their employability. On November 21, 2024, in collaboration with the Global Technical Institute, the Career Counselling Cell hosted a seminar focused on the transformative impact of Information Technology Enabled Services. This event provided students with a comprehensive understanding of the latest trends, challenges, and opportunities in the ITES industry. By attending this seminar, students were able to:

- * **Gain Industry Insights:** Learn from experts about the evolving landscape of the ITES sector.
- * **Develop Essential Skills:** Acquire the necessary technical and soft skills to succeed in ITES roles.
- * **Network with Professionals:** Connect with industry leaders and potential employers.
- * **Explore Career Paths:** Discover various career avenues within the ITES industry.

By participating in such events, students are better equipped to make informed career decisions and position themselves as strong candidates in the job market. The Career Counselling Cell remains committed to organizing more such initiatives to support students' professional growth and success. 72 students of Semester 5 and Semester 3 attended the seminar.
