Agenda 1: IQAC Coordinator reported that Acknowledgement had been received from NAAC, Bangalore, regarding receipt of AQARs 2011-12, 2012-13 and 2013-14:

IQAC Coordinator Dr Chaitali Basu reported that we need to submit 2 more AQARs for July 2014-June 2015 and July 2015-June 2016 to NAAC. After uploading the AQAR reports, the SSR report would have to be sent followed by LOI. IQAC Coordinator said that she was expecting to complete the remaining two AQAR reports by Nov-16. She also pointed out that according to the rule, the NAAC Committee was to prepare the SSR and submit it to IQAC who may then make necessary changes if needed.

Agenda 2: Matters related to Admission 2016-17:

The Admission Committee members Dr Shyamal Bhar and Dr Amit Mohan Rakshit stated that in view of the significant number of seats lying vacant, 'dereservation' of the seats must be executed immediately. Dr Tapan Roy said the BCW Cell was ready with the list of vacant seats and the admission to those seats would be immediately started on first cum first serve basis.

Agenda 3: Matters related to Maintenance of College Website:

Website Committee Convenor Shyamal Bhar requested that a member be hired for the maintenance of the site. He also said that a separate fund of Rs-2.5 lakhs per year be sanctioned for e-resource. At present, the expense is paid by the College on claim. Principal madam asked him to place the budget in the finance meeting. Shyamal then requested that a person be employed for system maintenance since the network has expanded over the years. However, Nabanita madam suggested that AMC be made.

Agenda 4: Matters related to Vidyasagar Research Centre:

The NAAC peer team had asked us to establish a Centre for Studies on the founder of our College, Iswar Chandra Vidyasagar for which grants are to be sought from UGC, ICHR, Indian Council for Philosophical Research, Ministry of Cultural Affairs and Ministry of Environmental Sciences, MHRD, ICSSR or the ICCR. Prof Aniruddha Ghosh suggested that we might also seek a grant from the state government. Dr Satya Upadhyay, Convenor VRC, said that she had not received any grant yet in response to the earlier submitted proposal. She said that she would apply afresh. The 2-hour seminar to be held on 28.07.16 was being organised by VRC to promote this cause. A brochure had been prepared and it would be circulated among the invited dignitaries in the higher education department. She would submit a project report highlighting the event and apply for grants anew.

Agenda 5: Introduction of Academic audit from new session:

The names of the following 3 experts had been proposed from GB for carrying out the academic audit: Dr. Sabuj Chowdhury (Library Science Dept. CU), Dr. Sujoy Ghosh (Zoology Dept. CU) and Dr. Diptendu Chatterjee (Dept. Of Zoology, C.U). The 3-member committee would carry out the academic audit of last 5 years.

Agenda 6: Matters related to remedial coaching under UGC scheme:

It was decided that since Prof Aniruddha Ghosh who was the Bursar of the College was overburdened, a new Coordinator would have to be selected. Dr Srijit Chowdhury was selected as the new Coordinator of the remedial coaching course. In this respect, Dr Shivranjan Chatterjee stated that Dr Srijit Chowdhury be asked to submit a schedule of classes, list of teachers and remuneration per class to the GB.

Agenda 7: Entry in Services:

It was decided that Prof Mihir Dam and Prof Joydeep Ghosh were to be Co-ordinators of the entry-in-services course under UGC and they were also asked to submit a schedule of classes, list of teachers and remuneration/class to the GB.

Agenda 8: Teachers Promotion through CAS:

The IQAC Coordinator stated that on 27. 5. 2015, she had held a meeting with teachers whose promotions were due. She had explained to them in detail the procedure of filling up the CAS proforma along with the Annexures to be attached. Members of the Promotion/ Placement Committee had checked the papers submitted by the teachers. IQAC Coordinator informed that now the first batch of teachers are going for their promotions through CAS.

Agenda 9: IQAC Seminar on Kanyasree Prakalpa:

IQAC Coordinator reported that all records related to Kanyasree were being meticulously maintained. She informed that out of 163 applications received, 90 had been sanctioned. She also said that the next seminar of IQAC would be on Kanyasree and would be held in August. Principal madam suggested the name of Dr. Anindya Narayan Choudhury (joint DPI) as resource person.

10. Matters related to the recommendations of the NAAC Peer Team: These recommendations constitute Section IV of the Peer Team Report. These recommendations would have to be implemented before NAAC re-accreditation.

a) Women-related diploma/ certificate job-oriented courses. Update on Food Processing and Tailoring Course:

Course Co-ordinators Dr Anushree Chakraborty, Prof Atri Saha and Epshita Roy have submitted a report to the IQAC stating that the classes of the Food Processing and Tailoring Course started from the first week of January 2016. The classes continued for six weeks (January and first two weeks of February). Smt Sumitra Nandi, who was recommended by Dr Meera Agarwal, IQAC Member, was conducting the course. Classes had started from January

and continued till mid February. But the course was discontinued after settling the dues of Sm Sumitra Nandi mainly for not having enough number of students and hence it was not viable. Ronita (Students' Union GS) suggested that a "beautician course" would be a more attractive choice for students and President Sir approved it.

b) 'ICT-enabled teaching-learning be strengthened with better training and motivation to the faculty': In the first IQAC Meeting, it was decided that each Department may hold a power-point presentation or an ICT class once a week. Dr Amit Mohan Rakshit and Dr Sankar Bakshi were given the responsibility of having one ICT-enabled classroom ready with an AC, a fixed screen and fixed infrastructure. Slots for this room may be allotted department-wise.

c) Introduction of computer course for students from new session: A proposal for computer training programme for the students had come from Webel Informatics Ltd., a Govt. of West Bengal Undertaking. Dr Sudipa Pandit, Convener of the Placement Cell, is looking into the matter. She has submitted a letter to the IQAC to state that:

i) The course is of 2 years duration @ Rs-2000/- per student payable in 4 instalments. After completion of the course, each student will be issued a Certificate by Webel Informatics Ltd.

ii) The library will provide support for conducting the computer literacy programme.

Update on Spoken English programme conducted by Institute of English: Course Co-ordinators Prof Keka Das and Dr Madhumita Dutta have submitted a report to the IQAC stating that the course was held from 23rd November 2015 to 31st May 2016. At the beginning 25 students had enrolled for the course. Of them, 16 students had appeared for the examination. The Institute of English has sent a Marks Tabulation Sheet for all the 16 students. Certificates have been issued to the students who passed the examination. It was decided that the course would continue in the next session too.

d) The next recommendation concerns the library: Our librarian Moumita Ash has submitted a report to the IQAC stating that automation is not yet done due to technical problems. The library software SOUL 2.0 will be reinstated soon and they hope to start the work then.

e) The previous Peer Team had pointed out that 'Sports infrastructure needs to be strengthened and students be motivated to participate in sports and cultural activities at Inter-Collegiate, State and national level'. The College lacked a sports field. 'This was to be compensated by introducing Gym and Yoga classes'. A yoga course was inaugurated on 16. 10. 2015. About 17 students enrolled for the course. It was discussed that Gym classes must be held too. Dr Satya Upadhyay stated that the funds for opening a Gym would be forthcoming from the RUSA grant which the College had applied for.

f) Regarding VSM or Vidyasagar Smriti Mandir, the NAAC peer team recommendation was that the space be 'exclusively made available for supporting the initiatives of the girl students of the College by not providing scope for other external organization like IGNOU.' In the first IQAC Meeting, it was suggested that the IGNOU may be shifted from the VSM and brought to the New Building where the necessary infrastructural support and vigilance could be provided to the students. Prof Aniruddha Ghosh suggested that the IGNOU could function in the New Building on weekends and after College hours. Principal madam said that IGNOU Coordinator Shri Asit Roy had submitted the IGNOU Annual Report to her.

First Agenda: Submission of AQAR 2014-15 and AQAR 2015-16: The Meeting began with IQAC Coordinator Dr Chaitali Basu informing the members present that the AQARs of the last 2 years (2014-15 and 2015-16) were ready and may now be uploaded in the College website and may also be sent to Bangalore if GB gave the necessary approval. She then placed the AQARs in the Meeting. It was decided that this matter would be placed in the GB scheduled to be held on 19.12.16.

Dr. Subhra Bagchi read out the Plans of the Institution as written in the AQARs which were approved by the GB Members present in the Meeting.

Second Agenda: Matters related to progress in preparation of Self-Study Report: Dr Sankar Bakshi, NAAC Co-Coordinator, said that he was working on the Departmental Profiles. Dr Subhra Bagchi then informed that she had received the SSR from NAAC Co-ordinator just before the puja vacation. She had gone through it and she felt that large-scale modifications were needed and plenty of work needed to be done. She emphasised that since the uploaded AQARs contained matter which was in public domain, so the SSR report should tally with the AQARs. It was unanimously decided that Dr. Subhra Bagchi would serve as the Editor-in-chief of the SSR.

Third Agenda: Financial Audit: A-3: Dr Tapan Roy informed that the financial audit of session 2013-14 had been completed and was awaiting the signature of Auditor. Meanwhile, the audit for the next session should be started but our accountant was not available right now. President Sir said that this should be placed in the next GB and everything should be done so that the audit was done quickly.

Fourth Agenda: Student Grievance Cell recommendations: Ronita Srimany, students representative, said that the earlier complain of students regarding leaking roof of the canteen had been now resolved.

Fifth Agenda: Matters related to building of a gymnasium as per NAAC Peer Team recommendations: It was decided that the room for Gym would be built from MP LAD fund and the equipments would be procured from the RUSA grant.

Sixth Agenda: Matters related to Canteen: In the IQAC Meeting dated 27.7.2015, the Students Union GS, Ronita Srimany, complained that the food served at the canteen was not healthy. Moreover, the canteen needed to be repaired as the roof leaked during rainy season. Ronita said that the fans were not working. GB President Sir stated that the canteen matters had already been discussed with Ronita. In the previous IQAC Meeting, Prof Nabanita Chatterjee had suggested that IQAC recommend the formation of a Canteen Committee to the GB to deal with canteen-related problems. Dr Satya Upadhyay stated that the GSs of the 3 Colleges would have to be included in such a Committee.

Seventh Agenda: Matters related to RTI Committee: Dr Basu informed that the RTI Committee is to be formed with the Principal, GB President and one external member and the

functioning of the Committee is to be very confidential. It was decided that the external member would be selected in the next GB.

Eighth Agenda: Matters related to Solar Panel: Solar Panel on Roof Top: Principal Madam said that Dr Sankar Bakshi would prepare a project proposal for setting up of solar panel on the roof and submit it to IQAC member MLA Smita Bakshi. Smita Bakshi Madam assured that she would get it approved by the Govt. and the necessary fund for setting up of the panel would be provided. Dr Sankar Bakshi was formally given charge of the Solar Panel installation.

Ninth Agenda: Matters related to computerized database of student-related information: Dr Basu pointed out that it was essential to have student information like admission, registration, results, drop out rate etc stored in computer data base so that they could be easily accessed. President Sir suggested that students' achievements may also be included. It was discussed that a proper software needed to be installed.

Tenth Agenda: Matters related to computerized database of administrative information: Dr Basu stated that automation of office needs to be done. Dr Tapan Roy said that the Cash and Accounts Section were being shifted to the New Building and automation could be initiated there.
