Respected Sir

I have the pleasure to cordially invite you to an online talk on “Online Education: Convenience or Curse” on March 15, 2022, at 8 p.m. on our Google Meet virtual platform. The programme will be organised by Internal Quality Assurance Cell (IQAC) and Medical Cell of our college. Your gracious presence at the webinar will be deeply and sincerely appreciated.

Thanking you
 Sincerely yours

R. Chaudhuri, 11.03.22
DR. RUPALI CHAUDHURI

Principal
Principal
Vidyasagar College for Women
 Kolkata-700006

On March 15, 2022, at 8pm Dr. Biswarup Mukherjee spoke on "Online Education: Convenience or Curse" on our Google Meet platform.

The term "online education" became a household name when the pandemic engulfed the entire world and people were locked behind closed doors at home. People could realise the tremendous potential of this facility and online education and telecommunication started to be extensively used at offices, teaching platforms, and online meetings. Though the situation is much better now and offline activities have started gaining momentum yet online platform seems to stay both for education and for work. Now the continued use of smart devices is fraught with several health-related issues, both physical and mental. It not only affects hearing and balance but also cognition, sleep patterns and cardiovascular issues are known to occur. These problems tend to persist even if the use of smart devices is discontinued. Dr. Mukherjee mentioned that we need to strike a balance between the use of these devices and taking care of our health. Dr. Mukherjee discussed the ways by which we may minimise the damaging effects of these devices and at the same time continue using online platforms judiciously. The webinar was successfully organised by the Medical cell of Vidyasagar College for Women. Faculty members and students from all departments attended the online event.

Details of Seminar held on 6.1.2023

1. **Name of the Activity:** Seminar
2. **Category:** Awareness seminar on obesity and dietary management in covid and post covid situation.
3. **Date, Time and Venue:** 6th January, 2023; At 10 PM, New Building Auditorium
