

Activities of IQAC File - 2

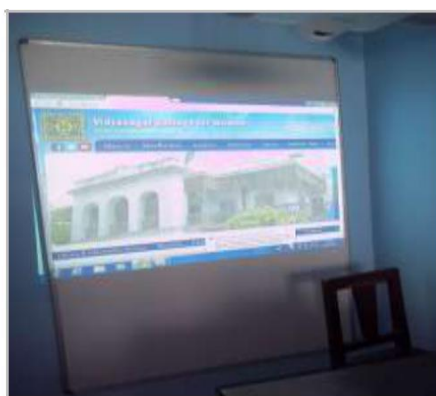

On 20.7.2016, the first IQAC Meeting in the new academic session was held. The highlight of the Meeting was the **Acknowledgement received from NAAC, Bangalore, regarding receipt of AQARs 2011-12, 2012-13 and 2013-14 all three of which had been simultaneously uploaded on the website under the IQAC window on 3.3.2016.** IQAC Coordinator Dr Chaitali Basu reported that now we need to submit 2 more AQARs for July 2014-June 2015 and July 2015-June 2016 to NAAC.

The efforts of the IQAC to start a short-term computer training course in fulfilment of the recommendation of the NAAC Peer Team bore fruit with the **Inauguration of a two-year computer training course for students on 19.8.2016.** The course will be conducted by Webel Informatics Ltd. Classes are to be held at the e-library section adjacent to the Central Library, New Building, from 4.8.16 onwards from 8 am to 1 pm.

Along with the inauguration of the computer training course, another effort of the IQAC following the recommendation of the NAAC Peer Team to introduce ICT-enabled teaching-learning met with success with the **Inauguration of the ICT-enabled classroom on the same day, that is, 19.8.2016.**

Our GB President Shri Debasis Mallick inaugurating the Computer Training Centre and teachers at the Computer Centre.

Our GB President Shri Debasis Mallick inaugurating the ICT-enabled classroom and teachers assemble in the Auditorium afterwards.

In pursuance of the recommendation of the NAAC Peer Team to introduce women-related employment-oriented short-term courses, the IQAC had made efforts earlier on to start a course on **Food Processing and Tailoring** at the Second Campus. The course began in early January but had to be ended by end-February due to poor attendance by students who were busy with the Selection Tests at the time. On 9.9.2016, in response to a demand by the students, a short-term **Beautician course** was started. So far, student enrolment is good.

On 20.9.16, the IQAC Coordinator gave a **power-point presentation to faculty members** in the Computer Lab. The presentation showed:

- i) NAAC Peer Team Recommendations
- ii) Overall Analysis of the College by the Peer Team.
- iii) Format for Academic Audit
- iv) Format for Green Audit
- v) Some general points by way of preparation for NAAC Re-accreditation.

Powerpoint presentation by IQAC Convener on Preparation for NAAC Re-accreditation on 20.9.2016
