Report of Job fair Dishari, 2024

Placement Cell and IQAC of Vidyasagar College for Women jointly organized a job fair, *DISHARI-2024*, on 23rd August 2024 in the college premises.

The event was supported by the following collaborators:

- Magic Bus India Foundation
- National Vocational Academy
- Lalani Computer Academy

Under these organizations, various companies, including Telecom Performance, participated as recruiters.

Key highlights of the job fair:

- Approximately 90 students registered for the event via a Google form, and around 50 students attended the interviews.
- The program commenced with a brief introduction of the three associate partners, followed by direct face-to-face interviews.
- Five companies under Lalani Computer Academy, two under Magic Bus India Foundation, and one under the National Vocational Academy conducted interviews.

Recruitment outcomes:

- Ten students were initially selected by the National Vocational Academy.
- Ten students were selected by Telecom Performance during the first phase of interviews.
- Selected students will undergo one month of training before appearing for the second phase of interviews in their respective companies.

Impact of the job fair:

- Students were exposed to real-world recruitment scenarios.
- New opportunities were opened for placements in fields such as accounts, data entry, office maintenance in private schools, and hospitality.
- The job fair significantly boosted the students' confidence and enhanced their eligibility for direct recruitment.

DISHARI-2024 proved to be a highly beneficial event, providing students with practical exposure and creating diverse career opportunities.

Report on Workshop on Skill development training in purview of placement

The workshop, organized by the Placement Cell, focused on equipping students with essential skills to succeed in the professional world. Below are the key highlights:

Objective:

- To enhance students' skills for real-world challenges.
- To prepare students for competitive job markets.

Collaboration:

- Organized in partnership with the renowned JIS Foundation.
- Keynote Speaker: Mr. Avik Moharer.

Key Takeaways from the Session:

- Importance of individual skill development to compete effectively.
- Introduction of a **three-month free training program** for students in the following fields:
 1. Automobiles
 2. Hospitality
 3. IT Sector

Program Benefits:

- Completely free training in the chosen field.
- 100% placement assistance post-training.
- Assurance that all successful trainees would secure employment.

Participation and Selection:

- Total participants: 39 students.
- Selected candidates for training: 15 students (after individual discussions).

Impact:

- The workshop empowered students by enhancing their understanding of skill development and career readiness.
- It motivated participants to take proactive steps toward their professional growth.

Report of National Employability Test

The National Employability Test was conducted by the **George School of Competitive Examination** on November 22, 2024, at the college campus. The purpose of this test was to assess the skills and aptitude of students preparing for various government job-related competitive examinations.

Key Highlights:

Objective:

- To evaluate students' capabilities in areas essential for government job examinations.
- To provide guidance to students for achieving their career goals.

Test Structure:

- Focused on school-level Mathematics, English, and Current Affair.
- Emphasized the importance of time management during exams.

Post-Test Process:

- Officials announced plans to hold individual discussions with students.
- The objective of these sessions is to provide personalized feedback and strategies to help students reach their career aspirations.

The initiative has been well-received by students and is expected to significantly aid their preparation for competitive exams.
