- Name of the activity: State level Seminar
- Category: Invited talk
- Date, time and venue: 23.12.2022, 10:00 am at FF2, New Building, Vidyasagar College for Women, 8A Shibnarayan Das Lane, Kolkata- 700004.
- Name of the Resource Person: Dr. Subhendu Mazumdar, Associate Professor and HOD, Department of Zoology, Shibpur Dinobundhoo Institution (College).
- No. of participants: 63
- Brief Description: Title of the talk "Avifauna in Urban Landscapes: Threats and Conservation". The event began with a welcome address by HOD, Dr. Chaitali Bannerjee, and a short introduction of the speaker given by Professor Amit Mahata. The students and the faculties of the college participated in the seminar and interacted with the speaker. After the interactive session, the vote of thanks was delivered by Mrs. Sambita Saha Mazumder.
- Outcomes: The talk specifically emphasized the avifaunal diversity in Kolkata and how pollution and anthropogenic activities become the cause of their decline. The speaker also highlighted how common people can take the initiative to conserve the birds through their daily activities. This was an enriching session to encourage young minds towards the conservation of biodiversity.
