The **Student Exchange Programme** has always been a welcoming idea to any institution as it opens up a new horizon for the students of the institution. The communication boundaries of the students enhances and it gives them an idea to work and learn with a different set of resources. It was a golden opportunity for the **Department of Geography, Vidyasagar College For Women** to arrange such an exchange programme for the Geography Honours students of the Department in collaboration with the **Department of Geography, Tara Devi Harak Chand Kankaria Jain College, Kolkata**. The first session was held on **9.12.2022** at Vidyasagar College For Women when the students of both the colleges participated in the practical hands on training on various aspects of **Toposheet**, which forms an integral part of their practical syllabus. The focus of the two consecutive practical sessions was **Stream Ordering** and **Hypsometric Curve**. The session was a grand success with the students of both the colleges enjoying to work together, thoroughly. The vote of thanks was conferred by the Head of the Department of Geography, VCFW.

The second session of the Student Exchange Programme was held at **Department of Geography, Tara Devi Harak Chand Kankaria Jain College**, on **31.3.2023** when the students of the **Department of Geography, Vidyasagar College For Women** visited the former's campus. The students of both the colleges expressed their personal opinions, exchanged views on the topics covered on that day. The second session consisted of the PowerPoint presentations on the theoretical aspects of **Dichotomies and Dualism in Geography** and the practical aspects of **Time Series Graph** with various economic data. The vote of thanks was conferred by the Head of the Department of Geography, THK Jain College.
