## SCIENCE FAIR

Organised by  
IQAC, VIDYASAGAR COLLEGE FOR WOMEN

In Collaboration with  
IQAC, SURENDRANATH COLLEGE, KOLKATA

Date: 9<sup>th</sup> January, 2023

Venue:

New Building, Vidyasagar College for Women  
8A, Shibnarayan Das Lane, Kolkata - 700006

A Science Fair was organized by the IQAC of Vidyasagar College for Women in collaboration with Surendranath College, Kolkata in the New Building of Vidyasagar college for Women to sensitize and increase awareness about the recent developments in science among the undergraduate students.

The undergraduate students of Department of Physiology, Botany, Zoology, Chemistry, Physics, Mathematics, Electronics and Economics of both the colleges Vidyasagar College for Women and Surendranath College, Kolkata participated actively in the fair. Students of the different science departments participated in the fair by presenting charts, posters, models and demonstrations to showcase their understanding and familiarity with the recent developments in science.

- The students researched and enriched their understanding of various topics related to science in diverse fields that captured their interests.
- They demonstrated good presentation skills and showed eagerness to explain their chosen topic of interest.
- The topics were well distributed across the disciplines and the multi-disciplinary approach helped expose the students as well as teachers to a plethora of scientific topics that have been attracting attention across the globe.
- The students of Arts departments also showed keen interest in the topics and made interesting queries that were addressed by the participants.
- The teachers added additional inputs and shared a piece of advice with the participants on their presentation skills as well as discussed extensively about the chosen topics.
- The exchange between the two colleges created an enriched scientific environment that inculcated and inspired the participants as well as the students to read up further about the topics and update themselves with the recent discoveries and development.
- The science fair created and promoted a healthy scientific exchange between the students of the two colleges so as to benefit and expand the knowledge and understanding of interesting topics as chosen by the students.
- Dr. Rupali Chaudhuri, Principal, Vidyasagar College for Women and Dr. Indranil Kar , Principal, Surendranath College, appreciated and applauded the efforts of the students by praising their scientific endeavors and motivated them to read extensively about the scientific discoveries and keep an inquisitive approach so as to broaden and boost their understanding of the scientific world.
