## Brief History

Vidyasagar College for Women, as a full fledged separate college affiliated to the University of Calcutta, was founded in 1960. However, its history goes back to 1931 when a separate women's section of the Vidyasagar College was started to cater to the educational requirements of the young women of Kolkata. Its classes were held in the morning. The women's section was temporarily brought to a stop during the Second World War. Since 1947, however, expansion in all branches of its activities took place steadily and regularly. New subjects were introduced and a group of dedicated teachers inspired confidence among the students who enrolled in large numbers. Since its foundation in 1960, Vidyasagar College for Women has committed itself to carry forward the ideals and principles of Pandit Iswar Chandra Vidyasagar, the great educationist and social reformer of the 19th century. At present the college consists of three campuses.

The college has been recredited by NAAC in 2017

## Vision

The college abides by kindred attributes of inclusivity accessibility and approachability, including female candidates from all sections of society and chiseling them into educated, confident and compassionate individuals who can face the stormy currents of life with steel grit, boundless resilience and undaunted perseverance.

## Mission

'Gyan, Tyag, Seva'- the three edicts promulgated by the founding father, the great Renaissance stalwart, Pandit Iswar Chandra Vidyasagar, exemplify the mission that Vidyasagar College for Women tries to envisage:

- Imparting knowledge in a comprehensive and lucid manner, through PPTs, simulations, experiments, educational excursions, classroom-seminars, invited talks, student exchange programmes, Arts and Science fairs, Inter-College Competitions, with special care for slow learners and classified tasks for advanced learners.
- Encouraging participation in add-on, job-oriented courses for honing their employability skills.
- Motivating the students to participate in co-curricular and extra-curricular activities like NSS, NCC to instill confidence and compassion in young minds, helping them to develop holistically.

The teaching-learning mechanism has seamlessly amalgamated both academic and non-academic paradigms, driven by the ultimate objective of empowering with empathy.

The Institutional mission and vision are also evinced by the overall policies of transparency, robustness, decentralisation of administrative and decision-making power involving almost all stakeholders.

## Principal's Message

The new Academic year begins with the process of admission to undergraduate courses thereby opening the gateway for a new batch of young learners ready to chart out a new path for their career. I whole heartedly welcome the new students and wish them all the best for their future. The college is the launching pad for progressing towards higher academics and our college is all set to provide the right kind of environment with a large pool of efficient teachers, well equipped laboratories and other support systems like remedial classes which are conducive to academic advancement. Further the college also grooms up the students in other ways by organizing seminars, research projects, essay & drawing competitions etc. keeping in view their holistic development to meet the challenges of a progressive society.

The college is also fully equipped to take up the challenges of the newly introduced choice based Credit System (CBCS) format of UG Causes. It is of at most importance that the students should fulfill the requisite requirement of attendance for securing their grade points.

As Pandit Iswar Chandra Vidyasagar had dedicated himself for the upliftment of women so are we dedicated to the cause of nurturing young students into capable women of the future. I welcome the new batch of students, 2020 and wish them a worthwhile and memorable stay in our college.
