Details of Seminar held in the session 2019-2020 (Department of Zoology)

1. Name of the activity: Seminar
2. Category: **National Level Webinar**
3. Date, time and Venue: 05.06.2020 at GMeet from 2:00 pm to 4:00 pm
4. Name of the Resource Person (S): Dr. Suchitra Devi Gopinath, Research Scientist, Translational Health Science and Technology Institute, Haryana
5. No. of participants: Around 100
6. Brief Description: Title of the talk was "The Covid-19 Pandemic – Epidemiology and Current Diagnostics in India". The event began with a short speech by Madam Principal, Dr. Rupali Chaudhuri and IQAC Convenor, Dr. Tapan Roy. Dr. Gopinath highlighted several aspects of Covid-19 awareness protocols and discussed various methodologies of sample collection, preparation and analysis. The students and faculties from various other colleges participated in the webinar and interacted with the speaker. After the interactive session, the vote of thanks was delivered by the Head of the Department, Dr. Chaitali Banerjee.
7. Outcomes: The talk specifically emphasised on the viral properties, necessary precautions to be taken and detailed mechanisms of virus-host interactions. She also made the audience aware of the test procedures and sample preparation related to RT-PCR test. The talk was very informative considering the phase we were going through and was relatable for us.
