- Name of the Activity:** Seminar
- Category:** Departmental Seminar with external Resource person
- Date, Time, and Venue:** 16th June 2020; Google Meet Platform: 10 am to 11 am
- Name of the Resource person:** Dr. Sandeep Mukherjee from Dept of Physiology, Srempore College, a well-known researcher in the field of Endocrinology and Reproductive Physiology
- No of Participants:** 64
- Brief Description:** Dr. Mukherjee has delivered a very contemporary talk on Covid 19 titled "A Tale of two soulmates-Covid 19 and metabolic health".
- Outcomes:** In the pandemic period our students were highly enriched by his lecture. At the very beginning of the pandemic outbreak when we had very little knowledge about SARS-Cov2, we learned many different aspects of this virus. Like its nature, mode of infection, and definitely its impact on different organ-systems and finally its health impact.
