8. **Brief Description:**

Dr. Ghosh delivered a very contemporary talk on “NEURODEGENERATION CAUSES ALZHEIMER’S DISEASE AND OTHER DISEASES OF BRAIN”. He has several national and international publications from his research work. In post post-pandemic period, our students were highly enriched by his lecture. Dr. Ghosh was introduced by our respected Principal madam, Dr. Rupali Chaudhuri, and the program was concluded by a vote of thanks delivered by Dr. Sobhana Sahoo, Associate Professor, Department of Physiology, VCFW.

In the pandemic period our students were highly enriched with these seminar preparations. In the very beginning of the pandemic outbreak when we had a very little knowledge about SARS-Cov2, we learned many different aspects of this virus. Like it's nature, worldwide scenario, Dietary management and Different methods of stress management.
