Report of the Event

Dr Jaydip Sarangi, State level mentor for NAAC and principal of New Alipore college was invited to conduct a state level workshop on revised assessment and accreditation of NAAC and NEP2020 by IQAC, Vidyasagar college for women, 39 Sankar Ghosh Lane, Kol-6.

Since academic bank of credits are to be implemented soon, we must proceed for NAAC, which is a collaborative effort rather just the responsibility of coordinators. Without NAAC accreditation degree may not be valid in near future. NAAC is actually a management challenge which keeps on altering the features, shouldered by IQAC and Principal together accompanied by technically sound staff of the institution. VCFW partakes three add-on courses but needs to have as many as 26 such value-added courses because it adds the contour to the college directly.

Mainly the following points are to be considered to keep the NAAC in a branded term:

- NEP 2020 emphasises on capacity building skills to be implemented.
- E-governance, e-library, use of ICT room, digital platform for learning must be prominent in the institution.
- Every faculty profile needs to be enriched with very good publication in UGC care listed journals. Approximately 11 publications per teacher is expected.
- Similarly, the published books and edited books must be enrolled per teacher. All the faculty must be aware of IPR.
- Institution must maintain the records of Notices, certificates, attendance sheets, geo tag photographs without any manipulation and all other supporting documents relevant to any activity.
- In case of the subject environmental science, all the departments must collectively work for preparation of projects.
- For every departmental meeting, feedback of the same must be maintained and that may take assistance from IQAC.
- Every document of last five years, including the appointment plus fixation letters of full-time lecturers and SACT needs to be uploaded in the website.
- A memorandum of understanding (MOU) must be collaborated with other institutions and the students must be benefited. Even the different programs like sports, any competition should be inter-college category.
- Depending upon the different criterion, Scholarships like kanyashree, Vivekananda must be utilised by 100 percent.
- Students must be aware of placement cell of the institution, provided with guidance for competitive exams and career counselling.
- The different non-academic activities like NCC, NSS must focus on awards, medals, rank holders etc.
- Closed circuit television, video surveillance, digital display monitors should be observed on a regular basis.
- Institute should have vertical garden, installation of solar panel, waste management in process.
- The different committee activities and administrative activities must be submitted to IQAC on a monthly basis.

The ultimate output of Dr Sarangi's workshop helped the whole institution along with every individual faculty so as to implement the activities plus to understand NEP2020.

MOU Activity Completion Certificate

VIDYASAGAR COLLEGE FOR WOMEN

AND

PRAFULLA CHANDRA COLLEGE

Vidyasagar College For Women and Prafulla Chandra College had entered into a Memorandum of Understanding on 19th December, 2022. An important aspect of this Memorandum of Understanding being collaborative work, the two colleges organised a State Level Workshop on 25th April, 2023.

The title of the workshop was "Revised Assessment and Accreditation on NAAC and NEP 2020." Dr. Jaydip Sarangi, Principal New Alipore College, conducted the workshop at Bhagabati Devi Sabhagriya, Vidyasagar College For Women. Teaching and Non teaching staff and students of both the colleges, actively participated in the workshop. The workshop ended with an interactive session that led to fruitful discussions by one and all. This workshop proved beneficiary to the faculty members as well as the non-teaching staff of both the colleges for their future course of work regarding accreditation and NEP 2020.
