Celebration of International Women’s Day:

Vidyasagar College for Women, as it is women college proudly celebrates the women’s day every year, but this year 8th march was listed as on holiday, thus was celebrated on 24th march with all the enthusiasm of the students. The main attraction of the day was a speech about the present and past scenario of women all around the globe by Dr Susmita Bhattacharyya, Department of Sociology, Calcutta university. The external GB members were invited for the program, where the presence of retired principal Dr. Rupali Chaudhuri, GB members: Dr Kamal Kumar Mishra and Mrs. Swarnali Mishra beautified the event. The other attraction was the handcrafted items by the students.

The organised program was outstanding because of abundant volunteer students and the exhibition of gorgeous handcraft items presented by the students. The comments during the exhibition were recorded.
