Report

The distinguished founder of our institution, Ishwar Vidyasagar Chandra Vidyasagar, has imparted a significant sense of pride and esteem to our college. Every year, the institution commemorates his birth anniversary in a grand manner. This year, we have elevated the commemoration to new heights by incorporating innovative elements aligned with the tenets of the National Education Policy. In addition to paying tribute to Vidyasagar and his invaluable contributions, we curated an array of inter-college competitions encompassing drama, song, poster design, story writing and quiz events—totalling four in number. Furthermore, as a pioneering initiative, we introduced technological setups enabling students facing health constraints to participate in the 'Vidyasagar Memorial Lecture' via Google Meet. To ensure maximum engagement with this lecture on 26th September 2022, large projector screens were installed in classrooms accommodating up to 500 students. A highlight of the event was Dr. Chinmoy Guha's lecture on 'Relevance of Vidyasagar and His Ideas in Today's World'. Dr. Guha is an esteemed Professor Emeritus of English renowned for receiving accolades such as Chevalier des Palmes Académiques, Chevalier des Arts et des Lettres, Chevalier de l'Ordre national du Mérite, Sahitya Akademi Award, etc. Furthermore, our Governing Body member, Dr. Kamal Kishor Mishra, shared insights about "Vidyasagar and his Academic Structure".
